

A black and white line drawing of a mountain with a hand reaching up towards it. The mountain is depicted with a jagged peak and a series of dashed lines radiating from its base, suggesting a path or a divine presence. A hand is shown in the foreground, reaching upwards with fingers slightly curled, as if in prayer or reaching for something. The background features a few stylized clouds. The text "Faith can move Mountains!" is written across the middle of the mountain in a bold, outlined font.
